This case is not going forward on 2/17/11. I do not have a new date yet, but if it doesn't resolve I will re-summons you.

Thank you,
Stacey Gauthier

Hi Sonja,

The defense attorney just called me and asked if I would agree to a continuance on the trial. I said I would, but I just have to wait until a judge allows it before I can officially call you off. I'll let you know as soon as I hear anything.

Stacey-

I have no problem being on call, but I just wanted to make sure you realize that it will take me a good 2.5 to 3 hours to get there from when I get the call (I work out of the Amherst lab - MapQuest has it at 2h24m, plus I would need a few minutes to finish whatever I was doing in the lab and change into 'court clothes'). If, by the end of the week, you think that you will definitely need me, please let me know as I may decide to stay at my parents house in Portsmouth, RI over night Sunday so my drive will be less come Monday morning (~45 minutes). Thanks.

Hi Sonja,

As far as I know today, it is still scheduled for trial. I haven't heard anything from the defense attorney. Can you be on call? I'll let you know right away if I hear anything.

Thanks,
Stacey Gauthier

Hi Stacey-

I know it may be a little early, but I'm just checking in to see if there have been any changes in the Jeffrey Tosca case scheduled for trial on November 22, 2010 that affect me (plea/continuance/stipulation)? I'm curious as I also have a case scheduled in Springfield Juvenile Court case that day and want to keep them informed of my availability. Thanks.
